

The Ultimate Kindle Marketing Guide: The Best Collection of Marketing Tactics to Boost Your Sales

Are you going to publish a book, or did you publish a book and it is not selling well? The difference between a book that sells and one that doesn't sell, is the way you market your book! This book contains the most complete collection of marketing tactics that you can apply to sell more books! This book will explain EVERYTHING you will need to know to make your book a success. -Amazon best sellers rank. What is it? How is it calculated? -How to choose the right categories. Why submission categories are different from Amazon's categories. -Category rankings. What they are and how to select the right category -How to choose the right Keywords and Tags -How to Analyze the Competition -How to Format your eBook -How to set the right price -How to setup Tracking codes. This will tell you what works and what doesn't -Where to submit your book for downloads -How to track your sales -16 Twitter groups where you can announce your book -24 Facebook group to spread the word about your book -57 websites where you can announce your book for FREE -28 sites for paid promotions -4 sites to get reviews for your book -How to sell your book through affiliates And A LOT more.... Who should absolutely read this book? This book is for authors that have written an eBook and that are now confronted with the question: How do I sell it? This book is written for people that publish their book on Amazon, although about 80% of the advice can also be applied to other publishing platforms. No special knowledge is required. Everything is explained in easy to understand terminology including step-by-step screenshots.
