

Lions: Fun Facts For Kids, Picture Books For Kids

Enjoy fun lion facts for kids. Learn about lion behavior, where they are found, how many lions are usually in a pride and more. Lions are large carnivorous mammals that belong to the family of felines. Unlike other cats, lions are very social animals. They usually live in groups of 10 or 15 animals called prides. They are found in Africa and India where they sit at the top of the food chain. The lion is taller than the tiger, but doesn't weigh as much.
