

69 Ways to Please Your Lover: Sex Secrets for Ultimate Pleasure

69 Ways to Please Your Lover taps anyone's inner lover with sexy secrets and provocative pointers to stimulate both mind and body. There are no long explanations or step-by-step agendas, just a wealth of ways to tickle the erotic imagination. Part one covers techniques, from playing to penetrating. Part two tours the body's many hot spots -- and shows how to arouse them. Part three brings all the five senses into play. Sixty photographs, many hidden in special pages that must be unzipped to reveal the secrets within, are also included. An ideal gift for self, friend, or lover, hen or stag party, this illustrated guide makes sex more fulfilling and more fun.
