

A herd of bison grazes peacefully on big bluestem grass one hot afternoon in Oklahomas tallgrass prairie. Not for long! A storm gathers, lightning crackles and the sky turns muddy green. Will the bison be lucky enough to escape when a raging brush fire erupts? This book is produced in association with the Nature Conservancy, and will enable children to discover new habitats and the animals that live there. Product Features:- 16 or more easy-to-download printable pages - 8 1/2 x 11 inches - Extension activities - Lesson plans - Suggestions for differentiated instruction - Ideas for further research
