

Ameerah (Minias Secrets) (Volume 1)

Ameerah Brown is just a normal American eighteen-year-old. Or is she? When Ameerah begins learning about Minia in school, a distant country ruled by a heinous dictator, she begins to recall unsettling memories. Could Ameerah's past somehow be tied with Minia? And could she possibly have anything to do with Minia's missing royal family? Ameerah will face life-threatening situations as she tries to unravel the secrets of her connection to Minia. Will she survive?
