

Anthony the Easter Bunny

Anthony is a fluffy little bunny with a great heart. His best friend is Ben, a little boy who is 6, and also the farmers son. Life is good on the farm. One day Anthony gives Ben a tiny blue egg that was given to him by one of the hens. When Ben decides to care for it, little did they know that it was a magical egg that would change Anthony's life forever. This is the magical story of how Anthony became the Easter Bunny.
