

Self Made: Real Australian Business Stories

The greatest danger in business is ignorance. You might think you're prepared for every eventuality, planned for every outcome, but unforeseen dangers can lurk at every corner. Check the statistics: businesses fail every day. Don't join them. Don't become one of the statistics. Self Made is your very own pocket rocket: eight stories from successful small-business owners. They share their trials and tribulations, the mistakes they've made which threatened to crush them, and the secrets they've learned to building and enjoying sustainable success. If you're in a start-up in business, or looking to kickstart profits and productivity, Self Made should become your constant companion—eight biopics that are blueprints to running a business, and will arm you with the hints and tips to ensure you don't become a statistic. Don't delay! Join the ranks of those who are self-made!
