

Baby Books: Eric and Friends in the Underwater World: (Learning eBooks, Animals World)

This book shows your baby how to recognize fish and other sea creatures. The book is full of big, colourful illustrations with a different sea creature on every page. Your children will identify with the lively animal characters. The beautiful, clear pictures and saturated colours will capture your child's attention and draw them into the story. Your child will discover interesting things about the ocean & life underwater. This is an excellent book for both pre-readers and early readers.
