A Short Chapter Book For Early Readers Ages 6-8 Approx. 5,600 words Princess Laressa loves going on adventures! And her best friend, Tansy (the magicians daughter) is always by her side. In The Purple Dragon Princess Laressa and Tansy discover that Prince Thistle is planning to take over their palace. They go for help but things dont go to plan. Its soon clear that its up to the girls to save the palace. And the only way they can do that is by Tansy using magic...Heres an excerpt from the book: SPLASH!Its raining! Its raining! King Caraway jumped to his feet and looked up at the ceiling.Stop! I had a bath last month! Wizard Gravelwort waved his arms. He opened his eyes and looked at the king. Whats going on?The king frowned, I dont know.Then he saw Princess Laressa standing in front of him. He also saw the jug hanging from her hand.Did you just throw water at us? he gasped.Laressa put the jug down and ran towards her father. I had to. Something terrible has happened and I have to let you know!King Caraway wiped his dripping face with the sleeve of his robe. Calm down, my Little La La, and tell me all about it.Wizard Gravelwort looked over at Tansy and said, Has this something to do with you? You two always seem to get into trouble when youre together.Tansy nodded , looked down at her feet and said, I was there when it happened.Father, we were down in the dark tunnels ... Laressa began.The dark tunnels? You shouldnt be down there, you know that. Dont let your mother find out! Do you remember, Gravelwort, when we went exploring down there?Wizard Gravelwort began to laugh, Yes, and you fell down that hole, and I had to use my magic to get you out.And you turned me into a tree by mistake! King Caraway chuckled. I had leaves growing out of my ears for weeks!
