

Big Red Barn

By the big red barn In the great green field, There was a pink pig Who was learning to squeal. There were horses and sheep and goats and geese--and a jaunty old scarecrow leaning on his hoe. And they all lived together by the big red barn. In joyous and exuberant Pictures, Felicia Bond lovingly evokes Margaret Wise Browns simple, rhythmic text about the cycle of a day on a farm, where a family of animals peacefully plays and sleeps.
