

Golden Stranger (Diamond Spirit)

In this fourth book in the warm-hearted Diamond Spirit series, Shara and her friends decide to protest against the wild horse race that has come to town. Shara heard her father's four-wheel drive back up to the horse float, and moments later the sounds of hooves up a tailgate. She rushed to the window and saw Rocky's big brown rump move into the float next to Goldie's. Dad! Dad! No! She threw herself down the back steps, sobbing. I'm sorry! When Shara and her friends decide to protest against a wild horse race, it sounds fun, even heroic, but they don't plan on the tangle of heartbreak that follows. The police are on her doorstep, her friend Corey is in the hospital, and both her beloved horses have been taken from her. Shara will need the whole town on her side before she can put things right.
