

Budget Buyers Cheatsheet is an entirely new Budget Busting way to shop for groceries (or anything else). It shows you exactly how to create a grocery list that gets you to the checkout just under budget. Every time. Set up just once on a spreadsheet, changes are easy to make and totals update automatically. You'll estimate what your cost will be before you leave home, and use a quick n easy method to adjust it in the store. You'll never miss a bargain, never buy the wrong item, and find great new savings in the meat department.
