

Summer of Courage: (Perch, Mrs. Sackets, and Crows Nest)

Mom called this my Summer of Courage. She said that when you need courage the most is when you realize what's happened in your life and you decide to get up the next morning anyway. When 10-year-old Andy goes to Grandmas house for the summer, all he can think about is how much he misses his dad in heaven and his best friend, Anthony, who moved away. In a summer filled with family, fishing, friendship, and cow dung, Andy discovers what happens when you mix rotten apples with a little bit of faith. I closed my eyes and prayed for God to send me a sign. Any sign he was listening. He sent me perch, Mrs. Sackets, and crows nest. Includes a recipe for crows nest, rules for gin rummy, and a discussion guide.
