

ANIMALS: Can You See Me?: Animals Books For Kids - Ages 3-8

ANIMALS: Can You See Me? is a book designed for mom and dad to play along with child to discover the concept of animal camouflage; why they do it, when they do it, and where they do it. How fast can you point out the animal? What kind of animal does it look like? With amusing comments made by the animals themselves :) Enjoy the book, and be sure to leave a comment in the review section if you have any questions or tips for everyone on how to turn this into a fun game with your 4-7 year old!
