

## The Christmas Ornaments

While preparing to decorate her family's Christmas tree and considering whether or not to use a teddy bear ornament her mother had given her, Pamela Edge was struck with the idea for *The Christmas Ornaments*, a heartwarming story about discarded Christmas tree ornaments. The ornaments are shocked to learn that they are being replaced by shiny, new ornaments for their family's tree. They find themselves in a bargain bin at the Humane Society, holding to the fading hope that they will once again decorate a Christmas tree. What follows is a charming and beautifully illustrated tale that reminds us all of the true meaning of Christmas.
