

The Stars Came Out on Christmas

One little star looked down upon the land. Two little stars said the time is near at hand. And so the first Christmas begins as stars appear, one by one, in the sky over Bethlehem. With a beautiful, plastic-molded counting piece revealed on each new spread, kids can count their way up to the wonder of the Christmas miracle. With a simple and poignant text by William Boniface, and stunning artwork by newcomer Stephen Waterhouse, this is a Christmas book to treasure for generations.
