

Closing Em Down: Final Games at Thirteen Classic Ballparks

Though the players make the highlight reels, for fans of Major League Baseball the actual ballparks are often the seat of affection and team loyalty. Players come and go, get traded, retire, but the parks remain for decades. This work recounts the histories of the classic parks, those that were built between 1909 and 1923, and the last games that were played in them when their teams finally moved on.
