

Toby Martin: State Fair Security: Toby Martin series (Volume 5)

The only event interrupting the summer blahs for Toby Martin, girl detective, and Freddy Galvin, boy foil, is the Great Minnesota Get-Together: the one, the only, the Minnesota State Fair! Electrifying rides, delicious food on a stick, raucous music, parades, talent shows, and the oinks, bahs, moos, and clucks of the farm animals make August the best month of the summer. Add to that a stolen knockwurst float, hateful pranks, mind games and a chase that puts Toby and Freddy in danger and you've got a Fair to remember.
