

## Ortografia (Spanish Edition)

Este libro tiene como objetivo enseñar a hablar y escribir bien. Ofrece consejos cortos y útiles para evitar cometer los errores más frecuentes a la hora de hablar y escribir. Serán consejos en forma de tuits, es decir, cortos y útiles, y aquellas explicaciones de los problemas gramaticales y ortográficos más complejos y como evitar cometerlos. / This book aims to teach you to speak and write well. It also provides short and useful tips to avoid making common mistakes when speaking and writing. The advice is given as tweets, ie, short and useful, and explanations of the most complex grammatical and spelling problems.
