

Corazon of the Outer Banks

While the other horses of the Outer Banks run wild and free, Corazon prefers to sit day after day staring out to the sea. Until one day a little boy named Jose arrives and changes Corazon's life forever. A timeless and heartwarming story about the power of friendship, courage, and dreams. A portion of the sale of Corazon of the Outer Banks is donated to Wild Horse Education. An organization dedicated to the protection of the American Wild Horse.
