

The Smoke Bomber: Scoop Doogan Mystery Series Set 1

The excitement of a political campaign comes to Big Bend, but so does a threat. Will Jake and Scoop get to the bottom of the story before anyone gets hurt? The Smoke Bomber is one of ten stories in the revised and updated Scoop Doogan Mystery Series. The cast of characters include: Scoop Doogan, star reporter for the Big Bend Times, Jake Malone, Scoops intern at the newspaper; Ann Milardo, Big Bend Times Editor, and Police Chief Bill Rice. Each helps Scoop solve the mystery, and Scoop gets the scoop on the stories that make him the star reporter at the Big Bend Times. ? Each book in this easy-reading series consists of one story that features the 500 most common words in the English language, which consist of over 80% of the words used in everyday speech. Each of the five stories are meant to subtly reinforce commonly used vocabulary through single plot stories that feature natural dialogue. They are ideal for use as reading practice for struggling readers ages 9 to 16 and up.
