

## The Golly Sisters Go West Book and Tape (I Can Read Book 3)

Two sisters are heading West on a trip filled with adventures and antics of all kinds. Betsy Byars best-selling story is now packaged with an audio tape featuring a lively reading by Kathryn Grody. Byars applies her distinctive brand of quirky humor to two adventuresome women determined to dare the frontier with minimum experience. The dialogue and antics are convincingly like those of rivalrous young siblings anywhere on the block. The story lines are clever, and the old-West setting adds flair. --CBC Bulletin
