

Relationshipit.com's Guide To Girls: Brutally honest advice for the bitter and jaded.

This self-proclaimed book of Dating advice for the bitter and jaded uses brutally honest (and sometimes extremely salty) language to pound a little sanity into the addled minds of men who dont get women. If youre expecting feel good affirmations, drum circles or hugging, you should look elsewhere. This 150-page book is blunt and to the point the point that if you think you know women, youre stupid. Unsolicited testimonies: This material covered it all, and is pretty STRAIGHT to the point ...?E X A C T L Y - 100% accurate. Anonymous Lets say, if relationship guides were on internet women, this one would be the most ideal woman. Anonymous I read the whole guide, and it was very good. Great advice. In addition, it is very well written (hilarious comments). I think this will help me in future relationships. PureClassWow! I have never seen such an awesome [book] on relationships. This ... should be required reading for everybody... GNX547
