

Barbie Mystery #2: the Mystery of the Jeweled Mask (Barbie Mystery Files)

Barbie is one of the top girls properties - the worlds #1 fashion doll. Now Scholastic is on the Barbie bandwagon with stories starring Barbie as a reporter with a nose for a mystery. Barbies friend Kira has gotten her front-row seats to the world premiere of the new play The Masked Stranger. Barbie is thrilled. Shes going to review the play for her newspaper, and now shes sure to get a close-up of the priceless jeweled mask used in the performance. But when the mask goes missing in the middle of the show, it looks like someones out to steal more than just the spotlight! Its up to Barbie to go backstage and hunt down clues to catch that crook.
