

Girls Its Time For A Change

Girls Its Time For a Change is an incredible resource for girls entering puberty and starting their periods. Whether they've already begun their period, or are impatiently waiting, every question they could possibly have is answered with great care and warmth by author Joan Reid. Chock-full of information and covering a multitude of topics, this book is a lifesaver for parents and caregivers of prepubescent daughters. Let's face it. Menstruation is a touchy subject, yet something that cannot be avoided. While one child may be anxiously waiting for the day she starts, another may be full of trepidation and fearful of the changes to come. No worries. The answers are here. Inside you'll find chapters that cover: The Reality Developmental Changes Personal Hygiene What to Wear Who to talk to Tips on which sanitary products to use And so much more Menstruation is a multi-faceted condition, with symptoms ranging from irritability and discomfort to mood swings and migraine. Your daughter doesn't have to face it alone. Not only does the book's content address the emotional aspect of a girl's period, it comes complete with diagrams and full-color graphics to clearly explain the physical transformation. Girls Its Time For a Change is a book every girl needs to have in her library. In addition, it includes a Period Planning Calendar and a Diary for keeping track of her feelings throughout the month. For even more information, she'll be encouraged to visit www.girlsitstimeforachange.com, a website created as a companion to the book.
