

Sharks: Fun Facts & Pictures For Kids

Chances are very good that you have seen a shark in a picture in a book or magazine, or perhaps online or in a television show or movie. What did you think of the shark? Did you think it was an incredible animal? If you did, you were right! This short eBook for kids sets out facts on the shark. It is written in an engaging and conversational style, and encourages kids to use their imaginations and think about the material. Facts presented range from the nature of baby sharks, to the length of time sharks have existed, to the smallest and largest kinds of shark in the world.
