

The Management of Event Operations: project management, planning and customer satisfaction provides an introduction to the management of operations for the event planner and venue provider. Taking an holistic view of an event enterprise, it links the traditional topics within operations management to present a coherent and hands-on approach specifically for the events manager. The approach is pragmatic and is dictated by practical consequences and considerations, which are so important to an event manager who balances many views and needs from diverse stakeholders.

Fascinating Tigers! (Fun picture book for Ages 3-6) (Fascinating Animals!), Sammy Keyes and the Showdown in Sin City, The Littlest Snowflake, BirthQuake: A Journey To Wholeness, Kinderbuch: Erstaunliche Fakten & Bilder uber Fuchse (German Edition), The Chronicle Of Baseball: A Century of Major League Action, Managing Employee Relations in the Hotel and Catering Industry, Management: Pearson New International Edition, Time To Get Dressed!,
