With minimal prose and joyful illustrations, acclaimed artist and author Jorey Hurley tells the story of a day in the life of a rabbit family. Listen. Follow. Hide. Snuggle. A quiet spring day holds a grand adventure when a mother rabbit leads her three bunnies out to explore. Their world seems playful at first, but it can suddenly turn dangerous. The natural world holds unpredictable adventures for them at every turn. Filled with stunning illustrations and only one word on each spread, Jorey Hurley's vibrant picture book opens our eyes to the wonders of nature that are in plain sight if we just take the time to look.
