

Michael Morgenstern asked women all over the country, from all walks of life, and discovered the answers men seek. Learn what women find sexy in a man; how to seduce with words; what is the secret all great lovers know about pleasing women; how you can tell from a woman's kiss if she wants you take her to bed, and much more. Will make life--sex life, anyway--easier for men and infinitely more pleasurable for women. COSMOPOLITAN From the Paperback edition.
