

This book is about Derek Jeter, an all American baseball hero soon to be included in MLB's history of great players. His debut into the MLB in 1995 will soon end this season and as he writes history with his last few swings, there's a lot still to be said about this great player. The following Fun Facts and Trivia book will give us a sense of what this man is and was in and around the diamond field. Let's celebrate how he has inspired many thru his game, leadership and off court demeanor that has further earned the respect of even non baseball players and other sports fans. Let's marvel in his victories, his record setting plays, the defeat and challenges he also faced in his career from high school beginnings to the minor leagues and the major league. The records he had broken and set, the alliances he has built within the team that pushed the Yankees through seasons of winning streaks, his family from where he was taught discipline, and how he started baseball. What made him decide to pursue a career in baseball, the sacrifices he took that changed his future forever, the amateur draft, the scouts who believed in him, the university who offered him a future and the rise and fall he endured to be one of the greatest players of all time. Let's look back and enjoy the highlights of his career as Derek Jeter takes his last season with the Yankees and the Major Leagues.
