

Soy un pequeño murciélago: I Am a Little Bat Spanish Edition (Barrons Little Animal)

This title in Barrons beautifully illustrated childrens series about animals in their natural settings is a brand-new bilingual edition that explains in both English and Spanish that bats exist in many sizes and live nearly all over the world. Vivid illustrations show several different kinds of bat. Sturdy and handsomely designed, this picture book gives toddlers in both English-speaking and Spanish-speaking families an early start in learning both languages. All titles in the I am Series present richly colored full-page illustrations, supplemented with simple stories that explain how animals live and interact with other creatures in the world of nature. Pre-school boys and girls will treasure these beautiful and instructive books.
