

With a Jon Klassen appeal, Steve Antony, a debut author-illustrator, is the one to watch. A sudden gust of wind sets off a marvellous London adventure for the Queen, the Queens men and one very special hat. So lets follow one determined, daredevil queen through the zoo, over Tower Bridge and up Big Ben... just where will that hat land? A witty and stylish celebration of London, the Queen and the royal familys new baby. And with a celebratory sparkly red foiled cover. Winner of the Evening Standards Oscars First Book prize and shortlisted for the Waterstones Childrens Book prize. This is a wonderful romp of a read thats a great introduction to London, royalty and all that makes Britain great. - The Sun... this picture book is hard to beat for its sweet simplicity and charming monochromatic drawings. - The Times
