

Looking at Spain (Looking at Countries (Paperback))

Looking at Countries is a colorful introduction to other cultures. Perfect for reports, each book has been thoroughly researched and uses a variety of features to familiarize readers with people and countries around the world. Each book includes: - Leveled text correlated to the early elementary social studies curriculum- Engaging, full-color photographs- Multiple maps, including a black-and-white reproducible map and map-related activities- An overview of the land, weather, people, homes, food, and lifestyles of each featured country- A two-page section of facts about each country, including government, currency, population, and a photograph of the country's flag- Did You Know? boxes that present information that is interesting, surprising, or just fun to know- A glossary to explain difficult or new words
