

## Kids First Cook Book.

This is a life-size guide to making fun things to eat. Kids First Cook Book shows you step-by-step how to make and bake all sorts of delicious things to eat. The easy-to-follow recipes show you the ingredients you need, what to do with them and what the finished food should look like - life size! There are lots of great ideas too for creating fun and colourful decorations. A useful introduction includes the points to look for in each recipe and an important list of cooks rules to read before you start. A great simple first cook book to get you started in the kitchen.
