

Kindergators: Hands Off, Harry!

Kindergators work and play happily in Miss Harmony's class. But Harry isn't being a good classmate! He's disrupting Friendly Circle, causing accidents, and invading everyone's space. Can the Kindergators find a way to help Harry learn to respect personal space? Beloved author/illustrator Rosemary Wells brings her signature humour and trademark knack for understanding young readers to this new series. Perfect for classroom use, or for reading and sharing at home, this story will empower young readers to create a caring community built on kind behaviours. Age: 3 - 6
