

Burton and the Christmas Tree (Burton the Scarecrow a Friendship Tales from the Farm)

ABOUT THE BOOK The fourth title in V.A. Boeholts delightful Friendship Tales from the Farm series, *Burton and the Christmas Tree* shares an endearing message of caring that captures the true feeling of holiday giving. When Firry, a proud Douglas fir, is damaged and discarded on his way to the Christmas tree lot, he is rescued by Burton the Scarecrow and a host of his little woodland friends. Repaired but forever changed, Firry fears that hes lost his special purpose until his history of bragging gives way to humility and he learns a valuable life lesson. Discovering the importance of service to others, Firry finally understands what it truly means to be first rate. **WHAT MAKES BURTON AND THE CHRISTMAS TREE A HOLIDAY FAVORITE?** Building on the legacy of *Burton the Kind Scarecrow*, V.A. Boeholts fourth picture book teaches a universal lesson of friendship that embodies the holiday season by reinforcing important character-building principles like self-acceptance, being a role model, and overcoming obstacles. Coupled with Nathaniel P. Jensens vibrant illustrations, Boeholts rich narrative brings Burton, Firry, and their friends to life, celebrating diversity, compassion, and the joy of giving. The storys heartfelt message is reinforced by an innovative Resource Guide and Glossary, outlining story concepts, suggesting reader/listener connecting points, and recommending supplementary activities. Like each book in the Friendship Tales from the Farm series, *Burton and the Christmas Tree* creates a picture-perfect learning opportunity for parents, teachers, and children to share year round.
