This funny, fetching tale will bring chuckles and a lesson to any child with a tendency to echo Pinkerton's cries of Me first. Publishers Weekly Pinkerton Pig will do anything to be first first down the slide, first in line at the trough-a-teria, first on the bus. His pushy ploys backfire on a Pig Scouts hike when he hears the magic words Would you care for a sandwich? Little does he know, he's being tricked by a sandcastle-dwelling Sandwich in need of care! How long will Pinkerton be doomed to powder her warty nose? This cheery look at the dangers of piggishness is now part of a fun hardcover series about life lessons. This ebook includes audio narration as well as a code for free downloadable audio.
