

Upside Down Goldfish (An illustrated bedtime story for children ages Baby 1 - 4 years) (Dixie Tails)

Look inside this rhyming story and see the pet goldfish happily swimming upside down in his bowl OR you could stand on your head and look at him right side up! Your toddler will love these colorful pictures showing the funny antics based on real-life Cheeto, the goldfish. Who can say whether an upside down life is just the right way?! This illustrated poem may be best suited for toddlers and younger kids, but children at the older end of the age range will enjoy it, too.
