

Little Big Book Of Chills And Thrills (Little Big Books (Welcome))

There have been many successful books of ghost stories and fantasy tales before The Little Big Book Of Chills & Thrills. But none that so completely combine all the frightening and magical elements that have terrorized and enchanted children for generations: Ghost Stories: Including such classics as The Legend Of Sleepy Hollow, The Monkey's Paw, The Judge's House, and Pranks. Tales Of Magic and Fantasy: Such as Alice In Wonderland, The Hobbit, The Magic Shop, and The Crystal Ball by the brothers Grimm. Poems: Including the witches chant from Macbeth, Edgar Allen Poes The Raven, and Colin McNaughtons Transylvania Dreaming. Spells: That kids and grown-ups alike can try at home, including how to take revenge on an enemy, how to dream the truth, and of course, the Abracadabra Spell! Curses: That have gone unexplained and yet unrefuted for centuries such as the curse of the Burton Agnes Skull and the curse of the Tower of London. Superstitions, Legends and Haunts: That offer helpful advice and history on such mystical items as mirrors, candles, and ladders, as well as the meaning behind All Hollows Eve, the Jack-o-Lantern, The Banshee, and such legends as Harry Houdini and Merlin the Magician. Magic Tricks: That can be performed, complete with instructional illustrations, including how to make someone float on air, how to read an invisible message Treats: That are guaranteed to bring ghosts, witches, and wizards to the table, including Cauldron Cookies, a Witches Brew, All Souls Day Bread, A Magik Coin Cake, and Grape Eyeballs
