

## China (Journey Through)

Journey Through offers young readers the chance to take a trip through exciting world countries using different modes of transport, from train and car to bicycle and private jet. Along the way the traveller visits highlighted places both well known and less known, and learns lots of exciting facts about history, language, culture and much more. Journey Through China offers a look at the geography landscape, culture and people of this country in the Far East, from the exciting buzz of Hong Kong, through the Gobi Deserts, past Mount Everest and even youll even visit some pandas in Chengdu as you explore this colourful and diverse part of Asia.
