

Bronco Busters

Slim, Jim, and Grimsley are the biggest, baddest bronco busters in the whole wide West. There's not a horse they can't tame -- until they meet up with one small cowboy and a black pony. The bronco busters try every trick in their book, but the pony fights back with tricks of his own. Day after day, the small cowboy watches and waits for dark. Then he'll get his chance. Can he find a way to turn this fierce Bronco into a friend? Kimberly Bulcken Root's energetic illustrations are full of marvelous details and give spirit to Alison Cragin Herzig's inspiring story that celebrates the power of gentleness.
