

Messy Maize

One day Maize and her mom were deciding to go shopping. Maizes mom asked Maize to go put on her dress. Maize ran upstairs to get dressed, but her bedroom was messy. She could not find her dress. The more she looked, the bigger the mess got. Maizes mom kept telling her that if she keep her room neat and tidy, she would know where everything is. Maize kept looking. Finally, Maize decided to clean her room and little by little Maizes room was getting cleaner and cleaner. As Maize was making her bed, she found her dress. Maize learned that mom was right and if she just did a little cleaning every day Maize would know where everything is.
