

Naples! #1 (Recipe for Adventure)

When Zia Donatella comes to live with the Bertolizzi family, little do Alfie and his older sister Emilia know what's in store for them. Zia Donatella is determined to show the kids how a home-cooked meal is better than even the best take-out pizza or burrito. And when Zias plan actually transports Alfie and Emilia to famous food cities around the world, they learn first-hand how food cannot only take you places but can also bring you home again. In Book 1, Alfie and Emilia find themselves transported to Naples, where they meet Marco, a young Italian boy on a very important mission to shop for the essential ingredients for his family's entry in the city's annual Pizzafest contest.
