

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

First Bites: Tidbits of American History for the Young and Young at Heart, An introduction to English economic history and theory Volume 2, Wisconsin (Rookie Read-About Geography), Perrin P Piddys Special Job (The Adventures of Perrin P Piddy), Mathematics Level E (Skills, Concepts. Problem Solving),
