

One Smart Cookie: Bite-Size Lessons for the School Years and Beyond

One Smart Cookie offers a fresh batch of words that encompasses everything you might say to a child, whether its the first day of preschool or the last day of high school. Cookie-centric definitions range from wanting to know everything about cookies (curious) to thinking carefully about what kind of cookies to make for your friend (ponder). This book mixes Amy Krouse Rosenthals morsels of wisdom with the delicious illustrations of mother-daughter duo Jane Dyer and Brooke Dyer. This is one vocabulary list that will resonate well beyond the school years.
