

Overcome Premature Ejaculation, Be Confident During Sex with Hypnosis, Meditation, Relaxation, and Affirmations: The Sleep Learning System

Now includes Deep Sleep as a bonus track! You can overcome trouble with premature ejaculation, feel confident in bed, and go all night long with this guided meditation and relaxation program, from certified hypnotherapist Joel Thielke. Its as easy as turning on the tracks and falling asleep! The Sleep Learning System is specially designed to work with your subconscious mind during your sleep cycle. The guided meditation and soothing background music will deeply relax your body and mind for the perfect nights sleep, while allowing you to access the deepest parts of your mind. With this program, youll learn how to control your climax in bed, so that you have more stamina and pleasure all night long. Two inductions give you options for each session, or listen to the entire album. Its your choice! Youll feel well rested and energized when you wake up, and every time you listen, you will feel stronger, confident, and in control. Joel Thielkes guided mediation system gives you positive suggestions that will help you quiet your mind and melt away stress, leaving your body deeply relaxed for a great nights sleep. While youre sleeping, the program will remove any doubt and negative self-beliefs that you have about yourself in the bedroom, and will help you learn how to control your climax so that you can go longer. The special inductions will gently guide you into your REM stage of sleep, working with your subconscious to make lasting change that you can see. This Sleep Learning System album comes with two extended tracks that include the Sleep Induction and Garden Induction, guided meditation programs, and bonus music and positive subliminals, providing hours of relaxation for your listening experience. You can overcome issues with premature ejaculation today with The Sleep Learning System!
