

Leisure Operational Management: Facilities v.1 (Longman/ILAM Leisure Management) (Vol 1)

Revised and updated, this is a practical guide to operational issues surrounding leisure facility management. It explains the four core concepts - programming, multi-use and joint provision, sponsorship and special event organization - and covers the ILAM syllabus on leisure operations. It is part of a series providing up-to-date guides to the management of the fast expanding leisure services field. The series stresses the broad areas of management competences required in servicing the leisure industry.
