

Paving The Road To Success

Fifty years ago, Richard L. Dick Nelson started his career with a small loader. He established his business in Princeton, Illinois, a small rural community with a current population of 7,600. today, he is the founder of Nelson Enterprises which includes Advanced Asphalt Company, TCI Manufacturing and Sales, Tri-Con Materials, Northwest Illinois Construction LLC, Pavement Maintenance Services, Inc. D&J Leasing and AAA Aviation LLC. Nelson Enterprises has achieved \$1.5 billion in total sales, has worldwide patent recognition, employs approximately 300 people and rents 100 trucks a day during construction season. Dick is the son of Malcolm and Frances Nelson (both deceased) and was raised in Princeton with five siblings (three of whom are deceased). He is a graduate of Princeton High School and served in the Army. He and his wife, Judy, have three grown children, Leanne (Jeff) Martin, Laurie Wallace and Steve (Gina) Nelson. They also have four grandchildren, Nicole Martin, Kelsey Wallace, Colin and Audrey Nelson. Dick attributes much of his success to his team of talented and dedicated professionals. He has also achieved success and national awards because of his God given mechanical talent, hard work, determination and what he calls a Bachelor of Common Sense Degree from Life University. Dick has contributed a multitude of volunteer service hours to the Princeton Park Board, United Way, Cub Scouts, Little League and St. Matthews Church. His passion is flying. And to that end, he built his own helicopter. In honor of his 50th anniversary in business, an open house was held to recognize his team and business milestones. At this event, the Nelson family established an annual scholarship at Princeton High School for a senior student planning to attend a vocational school. Doug Oberhelman, CEO of Caterpillar, was also in attendance at the

open house and announced that Caterpillar will match the Nelson family
