

Penguin and Pinecone

When Penguin finds a lost pinecone one day, an unlikely friendship blooms. But Grandpa reminds Penguin that pinecones can't live in the snow—they belong in the warm forest far away. Though he will miss his friend, Penguin returns Pinecone to his home, dreaming of the day they can reunite. And when he finally returns to the forest to check on his friend, Penguin discovers that love only grows over time—and so do little pinecones! Prolific author/illustrator Salina Yoon's spare text and bright, energetic illustrations bring to life this endearing story celebrating friendships lost and found, and overcoming the odds to be with the one you love.
