

Wendy Wyatt's innovative childrens book, Please Don't Hurt Abby the Labby! is a must read for children ages 4-8. As a social worker in the Bernards Township public schools, Basking Ridge, NJ, Ms. Wyatt is well aware of the problems that occur when kids haven't a clue what is involved in responsible pet ownership or simply how to treat animals. Her lively and informative book will change all that as it challenges readers to become "public defenders" of animals by passing on the message of love and kindness. The thought-provoking title invites discussion, and appealing photos with a retro, hand-colored look capture the enduring bond between humans and animals. Even the youngest reader will identify with Abby and understand that puppies, like children, need to be raised with love if they are to grow up and give love in return. Wendy Wyatt's book is endorsed by The Seeing Eye; David Frei, co-host of the Westminster Kennel Club Dog Show; Joan Lowell Smith, syndicated pet columnist, The StarLedger; Dr. Brian Voynick, veterinarian and host of The Pet Stop, News 12, NJ and Paul Wisenthal, writer for The New York Times on youth related subjects.
